The form must be used with the latest version of the **Chrome Browser** or **Firefox**.

Before submitting your application please make sure to:

- Fill in all mandatory fields.
- Fill in both the "Basic information" and the "Description of the application" pages.
- Click on Save before exiting the page so you will not lose your progress. The platform does not have an auto-save option.
- Read carefully the Guide to Applicants before proceeding with your application.

Application submission:

- Save application as "DRAFT" as long as you are not ready to submit the application for evaluation.
- To submit your application for evaluation, change the state to "SUBMITTED" then save the application.

Note: once submitted you will no longer have access to the submitted application.
